FAQS

My locality imposes a Business Privilege/Mercantile Tax. What is this tax?

- Your municipality or school district may impose a tax of each dollar of gross annual receipts for a business within the municipality or school district, whether for gain or profit including financial businesses, professions, vocations, services, construction, or other commercial activities.
- Some municipalities or school districts have a flat rate *Business Privilege Tax* not based on gross receipts. The requirements for your municipality or school district are listed on the business privilege tax return.

What is the meaning of *Gross Receipts*?

- For purposes of computing the tax, *Gross Receipts* means any cash, credits or property of any kind received in exchange for merchandise sold or services performed in business activity. Do not deduct costs of property or merchandise sold, materials, labor or services furnished or used, or interest or discount paid.

What supporting documentation should I include when I file the Return?

- Include a copy of any Federal documentation such as Schedule C, Form 1120 (S-Corp) or any like form used to report gross receipts with the Federal or State taxing authorities. If your business does not have tax documentation, then provide other documentation used to determine gross receipts (such as your sales spreadsheet).

Do I need to file a tax return if I filed a Federal or State extension?

- There is no filing extension available for Business Privilege/Mercantile Tax. Penalty and interest accrual will not be forgiven on late filed returns. Businesses should make estimated payments until a tax return can be filed.
