

Collingdale Borough
Effective July 1, 2026

Report and Pay Online
business.KeystoneCollects.com

Most Pennsylvania municipal governments and local school districts impose a low-rate earned income tax.

Effective July 1, 2026, the earned income tax (EIT) rate is 1% for residents of Collingdale Borough. The Southeast Delco School District rate is 0% for a combined total EIT of 1%.

A 1% “non-resident” EIT also applies to employees who commute to work in Collingdale Borough. If the rates for the resident jurisdiction (where the employee lives) and workplace jurisdiction (where the employee works) differ, employers must withhold at the higher of the two rates.

Your business must withhold from payroll and report employee EIT to Keystone in compliance with Pennsylvania law. Quarterly payroll withholding returns and payments are due within 30 days after the close of each calendar quarter. *Make your payment by the quarterly due date to avoid statutory penalty, interest and Act 192 costs.*

Unless paying through a payroll processing company,
Employers must file and pay withheld tax online using Keystone’s Business Portal
business.KeystoneCollects.com

It’s quick, easy and secure.

Set up a Business Portal Account

- Access **business.KeystoneCollects.com**
- Click **Create Account** at the bottom of the page.
- Follow the onscreen instructions to register your business.
- Once logged in, under Withholdings, choose **Select** and begin entering information via file upload or manual entry.

Benefits of online filing include:

- Secure login using multifactor authentication
- Employee list stored for future transactions
- Payment scheduling
- Pay online directly from your bank account or credit card payment accepted
